# DIGITAL DESIGN DUO

You name it, we design it.

## OUR PORTFOLIO

We provide an expansive portfolio on our website to give you an idea of what we can do for your design needs.

## OUR TEAM

Digital Design Duo is a team of two digital/graphic designers. Mariah specializes in graphic and UX design and Chelsea specializes in desktop publishing and web design. The duo has several years' experience and various certifications in their respective specialties

## OUR MISSION

We promise to deliver friendly and fast service at a reasonable price. We strive to achieve appealing designs that accomplish your goals

## OUR STYLE

We focus on simple yet effective designs that suit your needs. We know your needs vary so we are prepared to fit your desired style.
